EDUCATION

Duke Kunshan University (DKU) & Duke University Dual Degree	Class of 2029
Intended Major: Bachelor of Science in Data Science GPA: 3.60/4.00 Core Courses: Introduction to Programming and Data Structures, Probability and Statistics, Linear Algebra, Computation, Society and Culture, Calculus I, Physics Activities: AI club, Computer Science Club, Global Student Ambassador (International Enrollment Management department), Global Citizenship Living Learning Community (LLC) member, Sino-Foreign Model United Nations organizing team, Tennis club. Awards: 95% merit scholarship at Duke Kunshan University	Kunshan, China Durham, U.S.

RESEARCH AND PROJECTS

Duke Kunshan University (DKU), Research Assistant to Dr. Mustafa Misir, Associate professor of data and computational science	Mar 2026-Present Kunshan, China
<i>Large Language Models for Algorithm Design (LLM4AD)</i> - Evaluated LLM-assisted pipelines for algorithm design, integrating large language models with iterative search methods (e.g., evolutionary and neighborhood search) to optimize candidate solutions. - Implemented and experimented within a unified Python framework, enabling systematic comparison of LLM roles (generation, prediction, optimization) across algorithmic tasks.	
Lahore University of Management Sciences (LUMS)	Aug-Dec 2024
<i>Research Assistant to Dr. Qasim Imtiaz, Postdoctoral fellow at Massachusetts Institute of Technology (MIT)</i> - Conducted quantitative analysis of coffee's chemical & physical composition; Analyzed effects of roast time, temperature & water on flavor using mass spectrometry and refractometry. - Applied statistics and correlation analysis on obtained data using Excel and MATLAB and generated data visualizations which revealed trends of brewing conditions to flavor-related indicators.	Lahore, Pakistan

PROFESSIONAL EXPERIENCE

Department of Athletics, Duke Kunshan University	Aug 2025-Present
<i>Sports Complex Associate & Senior Event Associate</i> - Managed front-desk operations including member check-ins and facility inquiries; tracked issuance and return of sports equipment; coordinated logistics and on-ground execution for inter-university tournaments, including the DKU Invitational Cup and Sino-Foreign University Cup. - Contributed to the successful hosting of inter-university sports events with 1,000+ participants and delivered consistent services to 2,000+ registered sports complex members, ensuring smooth operations and positive user experience.	Kunshan, China
Language and Culture Center, Duke Kunshan University	Jan 2026-Present
<i>Chinese Language Peer Tutor</i> - Supporting international students in improving their spoken and written Chinese for academic and daily communication. - Conducting peer tutoring sessions focused on conversational practice, vocabulary and grammar clarification.	Kunshan, China
INSIDER (SMC-PVT) LTD	June -July 2023
<i>Marketing Intern</i> - Designed marketing strategy by analyzing sales and marketing trends through the software 'semrush' and Excel. - Increased viewership by 70% and received endorsement from the company CEO.	Lahore, Pakistan

LEADERSHIP & SERVICE

Student Leaders Board (SLB), Duke Kunshan University	Dec 2025-Present
<i>Board Member</i> - Working with students, faculty and administrators to identify issues, propose solutions and advance community-focused initiatives. - Representing students and advocating for improvements to academic, residential and co-curricular experiences.	Kunshan, China
Student Partnership for Innovation and Change in Education (SPICE) Committee, Duke Kunshan University	
<i>Member</i> Working with Dean of academic strategy and innovation to ensure collaboration between students and academic offices at DKU on educational innovation, improved learning experience and enhancing teaching and learning environment.	Jan 2026-Present Kunshan, China
Campus Food Service Committee, Duke Kunshan University	Sep 2025-Present
<i>Member</i> Provide feedback and contribute to decision-making to improve campus dining services.	Kunshan, China

ADDITIONAL INFORMATION

Languages: English (fluent), Chinese (Beginner), Urdu & Punjabi (native)
Digital Skills: Python, Java, C++, VB.net, MATLAB, Adobe, MS Office, Canva, Web Conferencing Apps
Certificates: Artificial Intelligence & Machine Learning (Insider.pk), Python full course for Beginners (Code with Mosh), Climate change and Human rights (Amnesty International)
